DEDICATION

We, the 1960 graduating class of Twin Rivers High School do gratefully and respectfully dedicate this, our annual, to Mr. Dale E. Vige, who has guided us through our years of school with diligence and enthusiasm. He has instilled in us a desire for knowledge and through his wit made learning a pleasure. Not only has he given us an understanding in literature but also developed in us a sense of appreciation for the fine arts.

The 1960 graduating class of Twin Rivers High School submits this year-book in memory of Mrs. L. C. Cockrill, who has inspired us with her excellent example as citizen, scholar and leader.
