National News—1965

1 A Wave for Freedom—Cuban refugees swayed to Cuban rallies on shore as their coast guard cutter approached Key West last fall. Such emotional scenes occurred frequently after Castro announced his "open door" policy, allowing certain groups of Cubans to leave his dictatorship.

2 Pioneer in Space—Astronaut Edward White stepped from his Gemini IV space capsule and into the void of space last June. Maj. James McDivitt, his companion on a 37-day orbital flight, had to coast White back into the capsule after he had traveled 20 minutes suspended from Gemini IV. Gordon Cooper and Charles Conrad were the next space twins to orbit the earth. They completed their 5-day flight in Gemini V during August.

3 Medicare Bill Signed—President Johnson signed the Medicare Bill into law July 30 with former President Truman at his side. Witnessing the event that had far-reaching effects on social security benefits for the elderly were (left to right) Lady Bird Johnson, Vice President Humphrey and Sen. Truman. The ceremony was held in Truman library in Independence, Mo.

4 Triumphant Mood—Dodgers Manager Walter Alton's mood of dejection after the Minnesota Twins won the sixth World Series game did not last long. The Dodgers emerged victorious in the 7th game and captured the pennant.

5 Double Space Spectacular—Astronaut Wally Schirra and Tom Stafford got this view of the Gemini 7 spaceship December 15 while traveling in their Gemini 6 craft for their historic rendezvous adventure. Schirra and Stafford rode their red-hot craft back to earth the following day, but Gemini 7 completed a 14-day mission before its re-entry. Making the longest and most significant voyage to space in Gemini 7 were Frank Borman and James Lovell, Jr.

6 Plea for Peace—Pope Paul VI stood before the United Nations General Assembly in New York on October 4 to deliver his plea for

7

8

9

world peace. His unprecedented, one-day visit in the U.S. was the culmination of plans by men of all faiths.

7 After Surgery—President Johnson was photographed in a reclining chair at Bethesda Naval Hospital the day after his gall bladder operation on October 8. He conducted the work of his office from his hospital room and his Texas ranch during his recuperation.

8 Proud Student—Charles Craig, 19-year-old freshman at Iowa university, demonstrated his criticisms of draft-card burning incidents by displaying his draft card on his jacket with the note: "I'm a draft card carrying American and proud of it." Our role in the Vietnamese war sparked the incidents.

9 Blackout—The glittering metropolis of New York City was thrust into darkness on November 9 by a massive power failure affecting hundreds of miles along the eastern seaboard. City residents and commuters were stranded in offices, railroad and subway stations for hours before service was restored. The crippling condition was caused by a faulty relay at a Canadian generating station near Niagara Falls.

10 New Ambassador—Arthur Goldberg was named U.S. Ambassador to the United Nations by the President after the death of Ambassador Adlai Stevenson on July 14 in London. Goldberg was secretary of labor under President Kennedy and a U.S. Supreme Court Justice when named to the U.N. post.

11 Startling Fashions—Bold and contrasting blocks of color were the youthful fashion note of 1965. The eye-catching designs even extended the length of campus stockings worn with the costumes.

12 Royalty in Town—Princess Margaret and her husband, Lord Snowdon, arrived in New York on November 4 for a whirlwind tour of the U.S. During their visit, they took time out for fun-filled activities such as a ride on a cable car in Frisco and gala parties in Hollywood and the nation's capital.

Dedication

We the annual staff and the 1966 senior class of Twin Rivers High School respectfully dedicate "Captive Treasures" to Mr. Skillern, our friend, teacher, and class sponsor, whose encouragement and support have been a great help, and to our parents, whose love and guidance will never be forgotten.

Foreword

After months of hard work and preparation we present to you "Captive Treasures." This has been an exciting year for us as seniors. We experienced for the last time homecoming ballgames, semester tests, musical festivities, the class play and trip, and the prom. We hope that this annual will help you discover our treasures, recall happy experiences and stir pleasant memories.

On Aug. 30, 1966, thirty-three seniors entered the doors of T.R.H.S. Our senior year was filled with many activities and events that have given us many wonderful and lasting memories.

On Sept. 24, we had Homecoming. The Twin Rivers student body chose Margaret Olson and Wayne Christiansen as king and queen, with Margaret Holmes, Cheryl Heppen, Steve DeGroota, and Michael Rolland as their attendants.

Starting on Dec. 23, we left school for eleven days of Christmas vacation. We came back to school Jan. 3, 1966, with a busy schedule of fun and work ahead of us.

The Senior Class Play was presented on March 30. Miss Beth McCaleb directed. The name of the play was "Rally Around The Flag Boys."

In April we had Easter vacation which began on April 8 and ended April 12. We returned to school busier than ever, with the making of plans for Skip Day, Baccalaureate, and Graduation.

The Juniors gave us a very beautiful banquet on April 16. The theme of the banquet was "Moonlight and Roses." It was a banquet that will live in our memories for many years.

On April 28, we had Skip Day. We left early in the morning by bus for St. Louis, Missouri. We saw many beautiful sights, had alot of fun, as well as going on some very educational sight seeing tours. We returned home on May 1.

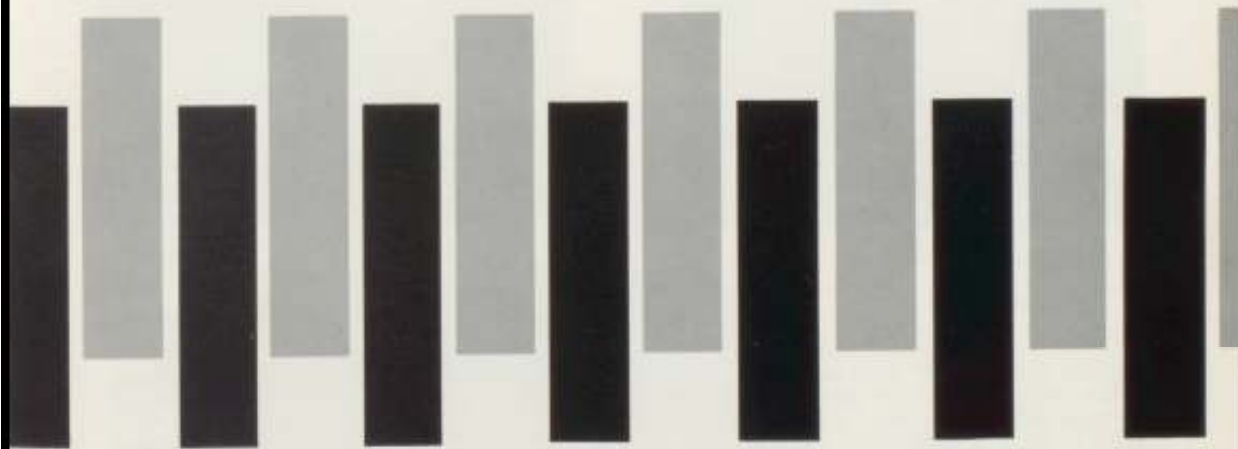

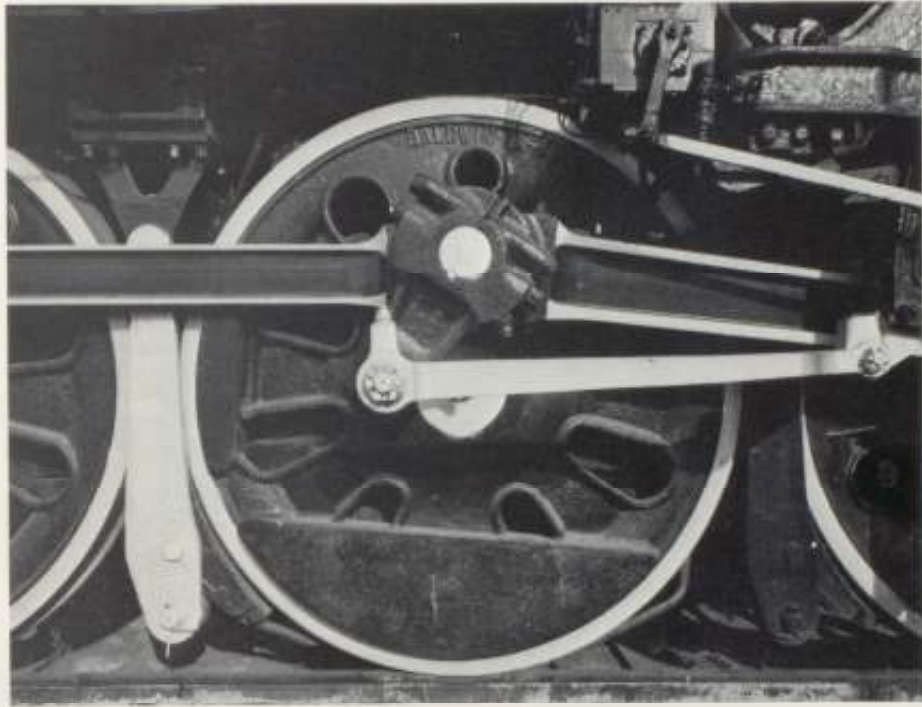

On May 4, the seniors gathered for their annual Senior Breakfast given by the mothers of the Senior Class. We enjoyed it very much and will remember it for years to come.

On May 15, 1966, Baccalaureate Service was held. This service not only left many wonderful memories in our hearts, but it also gave us inspiration for the future.

On May 17, 1966, Class Night was held. Scholarships, letters, and awards were given out. These honors will serve as souvenirs of our high school days.

Thirty-three seniors marched up the aisles of the Twin Rivers High School Auditorium to the strains of "Pomp and Circumstance" on May 19, 1966. It was an event that none of us will ever forget.

Our high school days are now over, "The challenge has been given, we shall answer."

One of the greatest assets of this year's team has been its great balance. Several of the boys were able to score in double figures in many games. The team established several firsts during the season: First Sectional Tournament championship for any TR boys team, first team to win on Albert City floor, and first team to beat Laurens in 7 years. The team's other accomplishments were: Runnerup in the Twin Lakes Conference, beat each conference team at least once this season, tied the school record for most wins in one season (18). All this has been combined to make this the most successful season in many years.

Bottom Row L to R: Wayne Wehrepann, Dennis Schultz, Greg Pool, Steve Brook, Craig Kinseth, Richard Jensen.

Top Row L to R: Mark Dale, Calvert Janssen, Ronald Raney, Jerry Johnson, Bill Foreman, Dale Fredrick.

RICK ANDERSON

Rick, through his own personal desire to become a good basketball player, contributed much to the team during his final season. Rick had a fine jump shot and was a mainstay on the backboards for the team and improved tremendously as a passer and a ball-handler. His hard work and fine play earned him a spot on the Twin Lakes all conference first team and honorable mention in the Associated Press Roll. He earned 4 letters in his high school career.

JERRY BERGE

One of the finest defensive ball-players to come out of Twin Rivers High School in several seasons. Jerry's job was usually to take the opposing team's star and stop him. This he did and he gave many an opposing athlete some frustrating games with his superb defensive play. Along with being a fine defensive player, Jerry matured into a fine ball-handler, leading the team in assists and an adequate scorer. His play earned him honorable mention on the Twin Lakes all conference team. He earned his third letter this year.

STEVE DEGRÖOTE

A fierce competitor, Steve was rugged on the boards and caused much trouble for opposing teams. Steve could always be counted on to come up with a big play when the team really needed it. He led the team in rebounds for the past season. His fine contribution earned him the second team center spot on the all conference selections; he was also elected team captain for the 65-66 season by his teammates. He earned four letters during his high school career.

DAVE HALSRUD

A fine cornerman and outside shooter, Dave possessed a fine touch and broke open many ballgames with his deadly shooting. He was a dedicated and hard worker and was certainly a fine inspiration for the younger ballplayers on the squad. His fine play during the season earned him honorable mention on the all conference team. He earned his third letter this year.

World News—1965

- 1 *Humanitarian Dies*—Dr. Albert Schweitzer died in September at Lambarene, his primitive hospital at the African jungle outpost of Gabon. The famed physician, who reached his 90th birthday in January, worked most of his life to relieve the suffering of jungle natives.
- 2 *Queen Speaks*—Queen Elizabeth II dedicated the John F. Kennedy memorial at Runnymede, England on May 14. Mrs. Kennedy is seated to the left and Prince Philip to the right of the queen. Carolyn Kennedy is seated between the queen and her mother, and Sen. Robert Kennedy stands behind Mrs. Kennedy.
- 3 *Miss Universe*—The reigning queen of beauty in the universe during the year was a representative from Thailand.
- 4 *Bash Returns*—Former Dominican Republic President Juan Bosch was vehement in his address at a rally September 25, shortly after his return to Santo Domingo.
- 5 *Wins in Run-Off*—Charles deGaulle polled 55.2 per cent of the vote in a run-off election against Francois Mitterrand on December 19. The vote gave DeGaulle the French presidency for another 7 years, but the strength of the Socialist-Communist candidate corroded the popularity of the 71-year-old president.
- 6 *Agrees to Cease-Fire*—Pakistani Foreign Minister Zulfikar Bhutto (right) agreed in the U.N. Security Council on September 22 to accept the Council's cease-fire order in the undeclared war between Pakistan and India. Pakistan's announcement came after India had agreed to the order.
- 7 *Abortive Coup Fails*—Indonesian President Sukarno was toppled from power for a brief 20 hours last fall. He gestured at a cabinet

meeting on October 6 during his first public appearance after the coup, which seriously shook his one-man rule.

8 Saver Winner—Russian author Mikhail Sholokhov was vacationing in the Ural region on October 10 when he learned he had been awarded the 1965 Nobel Prize for Literature. The December award ceremony was held in Stockholm.

9 Lives in Disaster—Hundreds of families returned to the wreckage of their homes, destroyed by eruption of Taal volcano, south of Manila, on September 28. Volcanic ash covered a six-mile-square area. The death toll was estimated at 500.

10 Price of War—The number of casualties increased as the U.S. stepped up its military action in Vietnam. American advisors took part in many helicopter missions, carrying wounded soldiers, both Vietnamese and Americans, to copters on makeshift litters for evacuation to Saigon.

11 Rosen Is Celebrated—Chancellor Ludwig Erhard of West Germany waved to a cheering crowd in Bonn after his Christian Democrats topped to victory in the September 19 parliamentary elections. Mayor Willy Brandt's Social Democrats suffered defeat in the voting.

12 Colonel Rube Akutu—Rhodesian Premier Ian Smith broadcast a proclamation of sovereign independence for Rhodesia on November 11. The split from Britain was made in an attempt to impose a white minority rule of the African colony. It was the first such move against Britain, since the American colonies broke away in 1776. Britain retaliated swiftly and took the problem to the U.N. Security Council, which asked all nations to enforce an oil embargo against the African colony.
