Homecoming

Festivities

'76

Homecoming week of September 27, 1976 began with spirit building days by the cheerleaders. The week was also filled with building of floats and the practicing skits by the senior high grades. The week was high spirited! On Thursday night one of the highlights finally came with the coronation. Also the presentation of the skits: First place - Seniors, Second place - Sophomores, Third place - Juniors, and Honorable mention - Freshman. On Friday there was a parade including the Twin Rivers High School marching band, cheerleaders, and the Homecoming court which traveled to Livermore, Ottosen, and then to Bode with the premiere of the floats. The float placings were: First place - Juniors, Second place - Seniors, Third place - Sophomores, and Honorable mention - Freshman. Our opponent, Albert City-Truesdale, at Friday night's game proved to be tough competition for the Pirates with a defeat of 6-8. Following the game the Homecoming Dance sponsored by the Student Council ended the week.

Tough Season for Pirates

With the graduation of many outstanding seniors from last year's team, the 1976-77 Pirates were caught up in the middle of a tough schedule and a rebuilding year. Our record of 2-6 was far from our original expectations, but the hard work and desire put forth by the whole team made it all worthwhile.

T. R. will again be hit hard by graduation, with the loss of the seniors-Jeff Pentico, Dan Christianson, Tom Berte, Mike Thul, Steve Hauck, Mike Olson, Dale Coleman, Dan Kiley, and Andy Hampe, many of who have played since they were Freshmen. However, we also have a fine nucleus of young ball players coming back and with hard work and the desire to win, they will greatly improve our record of this year.

As usual the Pirate Marching Band had a busy fall performing during four half-time shows, at the Algona Band Festival, and in State Marching Band Competition. We added flags and flag carriers to our band this year which really gave us extra color. The band proved to be a hard working bunch after surviving some of the cold weather we had to contend with.

This year there were three separate squads of cheerleaders composed of eleven different girls. It involved more girls and they chose the sport they would like to cheer for. With more cheerleaders, new uniforms were needed and to help pay for them, bake sales were held, Pirate buttons sold, and gym bags sold. Our supervisor this year was Mrs. Warren who helped us considerably.

Under the leadership of two new coaches, Mr. Paul Aslesen and Mr. Bruce Aslesen, this year's basketball team met stiff competition. Only three lettermen, Tom Berte, Steve Hauck, and Dan Kiley returned this year to help the otherwise inexperienced team.

Play the Game."

Although their season was a disappointing one, the young men kept their spirits up and continually tried their hardest. The juniors generated much of the strength in the team. With their return next year we hope for a more successful season.

Wrestlers Receive Honors

Wrestling Banquet was held on March 28, at 6:00 p.m. The guest speaker was Skip Dresser from KHBT. Following his speech the cheerleaders gave humorous awards to the wrestlers and then Mr. Beckey handed out his awards to the wrestlers. The cheerleaders then did a pom pom routine to "Boogie Fever." The evening ended with an elementary wrestling match. They all showed their talent, and it was an excellent performance. The evening was enjoyed by everyone.

Music Everywhere

With a new face in the vocal music department came new ideas intermixed with old traditions. The annual Christmas concert was preceded by a short program for the Music Mothers in November. Preparing for Spring Contests was hectic, but there was an additional reason this year. For the first time in Twin

Rivers' history the musical, "Where's Charley," was presented through the combined efforts of the drama and music departments. The year ended, but music filled the music room till the last day, with a May concert and finally, just FUN singing.

"Where's Charley?" was chosen for T. R.'s first all school musical. It is the story of two Oxford College men, Charley and Jack and their attempts to court their lady friends, Amy and Kitty. When Charley's Aunt, Donna Lucia, fails to arrive to serve as their chaperone, Charley dressed up as his aunt and then the fun begins. Many mix-ups and problems arise when the real Donna Lucia finally arrives.

Many nights of hard work and practice paid off with "Where's Charley?" being a big success. Piano players, Rochelle Halsrud and Linda Malkmus, and the pit orchestra provided the musical accompaniment. We hope we've started a new school tradition with many more musicals in the future!

Outspoken Students

There were eighteen entries this year in district speech contest at Humboldt. The group consisted mostly of sophomores and juniors.

There were ten entries advancing on to state contest at Sioux City. Terri Carlson with story telling and Shari Olson with interpretive poetry both received ones.

Everyone did a fine job, returning next year we hope to do even better!

Thanks to the many fine businesses in the area surrounding the Twin Rivers Community School, for making our yearbook possible. Although we wanted to have pictures with all advertisements, the time elapsed before we could get this done. We hope that we will have your support next year so we can have another unique yearbook.
