Endless Memories

Volume 25

*As we travel through life, our
endless memories are the path
back to our days at TR High.*

*Glancing through the pages of time, we
capture the "endless memories" of our youth.*

Dedication

Mert Christenson

*We, the Senior Class,
Dedicate this annual to
our friend and fellow
classmate, Mert, who though
only with us such a short
time, gave us endless
memories to keep his spirit
alive within our hearts.*

SCHOOL NURSE MRS. CARLSON

CPR could be one of the most life saving courses taught at TR High. Mardella Carlson, the school nurse, teaches this class to the Seniors, instructing them in the fundamentals of cardiac pulmonary resuscitation. Not only is this class beneficial to the students, but it could possibly save another's life. Mrs. Carlson's work is appreciated by one and all.

CAREER ED

Left to right: Jerry Berte, Lori Balk, Jay Schuller, Rob Foth, Paul Brown, Steve Gales, Kim Olson, Jeff Wulff, Vicki Pederson.

Each semester a course is offered to interested Seniors to help inform and train them in a variety of work experiences. The career education program is designed to give TR students a chance to learn about areas such as electronics, mechanics, veterinary work, and even how to be a florist; areas of study that are not available in regular classroom learning. Many of the special programs require on the job training, assignments, and projects. But most of all they provide and benefit the students with first hand experience the skills and knowledge needed to succeed in the working world after graduation.

The news staff published over 60,000 pages for the 1981-1982 editions of the "Pirate Tales". An issue is printed each month during the school year, giving a total of nine issues. It takes an average of four hours of work to create, process, print, collate, and mail one page of the paper. This is no small task! "Pirate Tales" circulates to more than 500 families in the Twin Rivers School District.

Congratulations to the 1981-1982 news staff for a very fine year!

It takes a lot of hard work and long hours to put together a successful annual filled with memories for TR students to look back on and smile, laugh, or even shed a tear over. This year's staff has been a very dedicated and hard-working group of young people, who deserve much more credit than what they receive. They are a young group who hopefully will continue to learn and grow, making each book better than the one before.

This was perhaps one of the most successful years TR has participated in speech competition. We had many new faces, such as Judy, Kay, Eileen, Steve, and Sheryl, as well as, many experienced faces. We must say good-bye to Kim, Nancy, and Brent who have done a great job the last few years. Brent has participated the last two years and Nancy and Kim have participated the last four years. Teri Kraft received four medals at state competition, the most one can receive a year. Kim also received a 1 at State. Others advancing on to state competition were Steve, Sheryl, Judy, Shelia, and Nancy. TR should be proud of these young people's accomplishments.

COACH'S CORNER

The girls' records were 4-9. It was a mixture of Seniors and sophomores. In the 9 matches they lost, only two of them did they fail to win a game. With a good nucleus coming back, they should have a better year. Congratulations and keep up the good work.

COACH'S CORNER

I felt the girls improved throughout the year. With only one returning letterman and one senior, we were an inexperienced team. The record was 3-16 and with a little luck and better shooting, the record could have been easily 8-11. The girls are looking forward to next year when the experience will be with us in most games. Good luck.

COACH ELLIS COACH'S CORNER

The 1981-82 boys' basketball team experienced a rebuilding year, finishing with a 3-18 record. A squad of 12, which had eight freshmen, and sophomores, two juniors, and one senior, possessed a "never quit" attitude. This will be very beneficial in the years to come.

Scott Cran earned first team All-Conference and All-State Honorable Mention honors as a junior. The 1982-83 season should be a much improved season with four starters, returning along with four other players who could be competing for starting positions.

FOREIGN EXCHANGE STUDENTS

ANN HORNEMAN

My name is Ann Horneman, and I live in Skaelskoer, Denmark. I am 16 years old and have one sister, who is 13. I lived with the Carpenters during my stay in America. The one thing I enjoyed the most about my year at Twin Rivers was being a cheerleader. It was a fun and wonderful experience. I will miss my many friends I have made here when I return home.

TONY AVEDILLO

My name is Tony Avedillo. I am one of ten brothers and sisters, most of whom are working. It is really different staying with a small family, such as the Beaches, but it has been a new and wonderful experience for me. My stay here in the U.S. helped me a lot in being independent and being a part of an American community. Comparing Bode, Livermore, and Ottosen to some of the other places I have been to, like Honolulu, San Francisco, and Chicago, there is quite a difference in the warm hospitality of the people and the welcome that they gave me when I arrive in this area. I won't forget the new friends and people that I've met here. They will always be my friends, and I will always remember them.

*Your friend always,
Tony Avedillo
Philippines*

CARLO VEGA

My name is Carlo A. Vega and I am from Chile. I am 17 years old. My host family were the Richard Thompson's. I think the exchange program is a real wonderful experience, when you learn to live with another family, all this with the help of the "Youth For Understanding Program." I hope I can come back again ... Thank you everybody.

*Today we'll start a new life
 And we'll say our last good byes
 To all the friends we've grown to love
 With whom we've laughed and cried
 Remembering the fun and laughter
 The problems and the fears
 And watching all our memories grow*

*Throughout our high school years
 The memories of the dances and
 The friends e've met
 Vacations, teachers and taking final
 Exams we'd rather forget
 Yes, high school years are precious but brief
 Where all your dreams come true
 It's not the end but the beginning of*

A new life we start a new.
