DEDICATION

We, the senior class of 1990, acknowledge the numerous people that have supported and encouraged us in many ways. We also realize that without the friendships that our class shares, we would not have made it through these past years. Therefore, we dedicate this annual to the many people who have made our high school years ones to remember.

the great quake of '89

"BATMAN"

*Open border officially
becomes permanent*

Many changes occurred during the 1989-1990 school year.

In November, the Berlin Wall was torn down. Millions of East Berliners went over the wall to find something they have never known — freedom.

Black was definitely the "in" color of '89.

San Francisco experienced an earthquake of 7.0 on the Richter scale, the worst earthquake since 1906.

Milli Vanilli was by far the most popular duo with hits like, "Blame It on the Rain," and "Girl You Know It's True." New Kids on the Block came in second with "Hangin' Tough" and "The Right Stuff."

In April 1989, our school decided to share athletic programs with Gilmore City-Bradgate. We soon became known as Twin River Valley.

A night none of us will forget was October 20. We defeated Ventura in football and, for the first time in our school's history, advanced to the state playoffs.

There was bat mania everywhere after the hit movie *Batman* was released.

As you can see, we've been through many changes this past year. But like the cover says, "The Best Keeps Getting Better."
