"Whutz up?"

# 1994

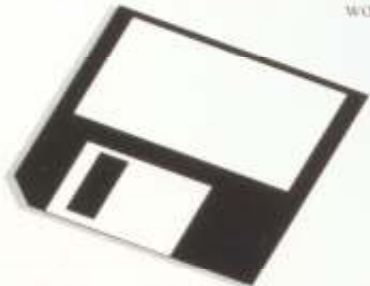

This year the students dedicated their homecoming activities to Erin Besaw. They began the activities with supper on Thursday before coronation and a free-will donation breakfast on Friday. Friday's activities included powder puff football, men's volleyball, musical chairs and scooter relays to name a few. The week ended with the football game against Armstrong-Ringstead. Erin was honored during halftime with a limosine ride around the football field. The night ended with a dance held at the Wolcott Center in Gilmore City.

# Desktop Publications

Because of new technology, Mac computers, and the laser printer, the Desktop Publishing class went from using paper and pencil to using computers to create the 1995 year-book. It is a combination of using a Pagemaker template and the Pagemaker program. By taking a page design from the CD-ROM, the students were able to substitute self-made copy and picture blocks to form new page designs. It is very useful and educational tool students can use in today's world.

**1st Row:** Mary Jo Jones, Amber Smith, Danielle Terwilliger, Jackie Ripperger, Sheri Steil and Jamie Nielsen; **Editor** **2nd Row:** Sarah Ganzeveld; **Editor**, Mrs. Böllmeyer; **Supervisor**, Joel Newton and Chad Fredin.

# Mass Communication

During the course of the year, nine issues of "Thunder Headlines" were included in the "Humboldt Independent." The mass communications class included five students with two editors. They covered school news and spotlighted the seniors. The staff has their own idea and the paper reflects these differences from year to year. Mrs. Warnock, the advisor, stated, "I like the creativity writing. It gives students the chance to write creatively."

**Left to Right:** Melanie Garrett, Sarah Ganzeveld; **Editor**, Eszter Szabo, Mrs. Warnock; **Supervisor**, Bridget Wallace and Amy Zeman; **Editor**.

**Name:** Eszter Szabo **Location:** Hungary

**Comments:** "Your school is bigger and you get to pick your subjects. We have to take the classes that they give us. In my country everybody is together and live more together."

**Name:** Ilyasov Murad ibn Sadyg Bazar **Location:** Turkmenistan

**Comments:** "Everything, absolutely everything is different from my country to your country. My country is bigger than here. The subjects are different, and food is a lot different in my country."

**Name:** Mieke Trekner **Location:** Germany **Comments:** "My home town is a lot bigger than Otisem. The teachers here are alot nicer and friendlier. My school has 900 students. Classes only last till one o'clock p.m. We cannot pick our classes. We have breaks every hour."

**Name:** Charlotte Schuder **Location:** Germany

**Comments:** "I am from a six million big city. It is weird being in a small town. My school is bigger. We have not the same classes every day. We have more holidays and no lunch breaks."

## Foreign Exchange Storm to TRV!

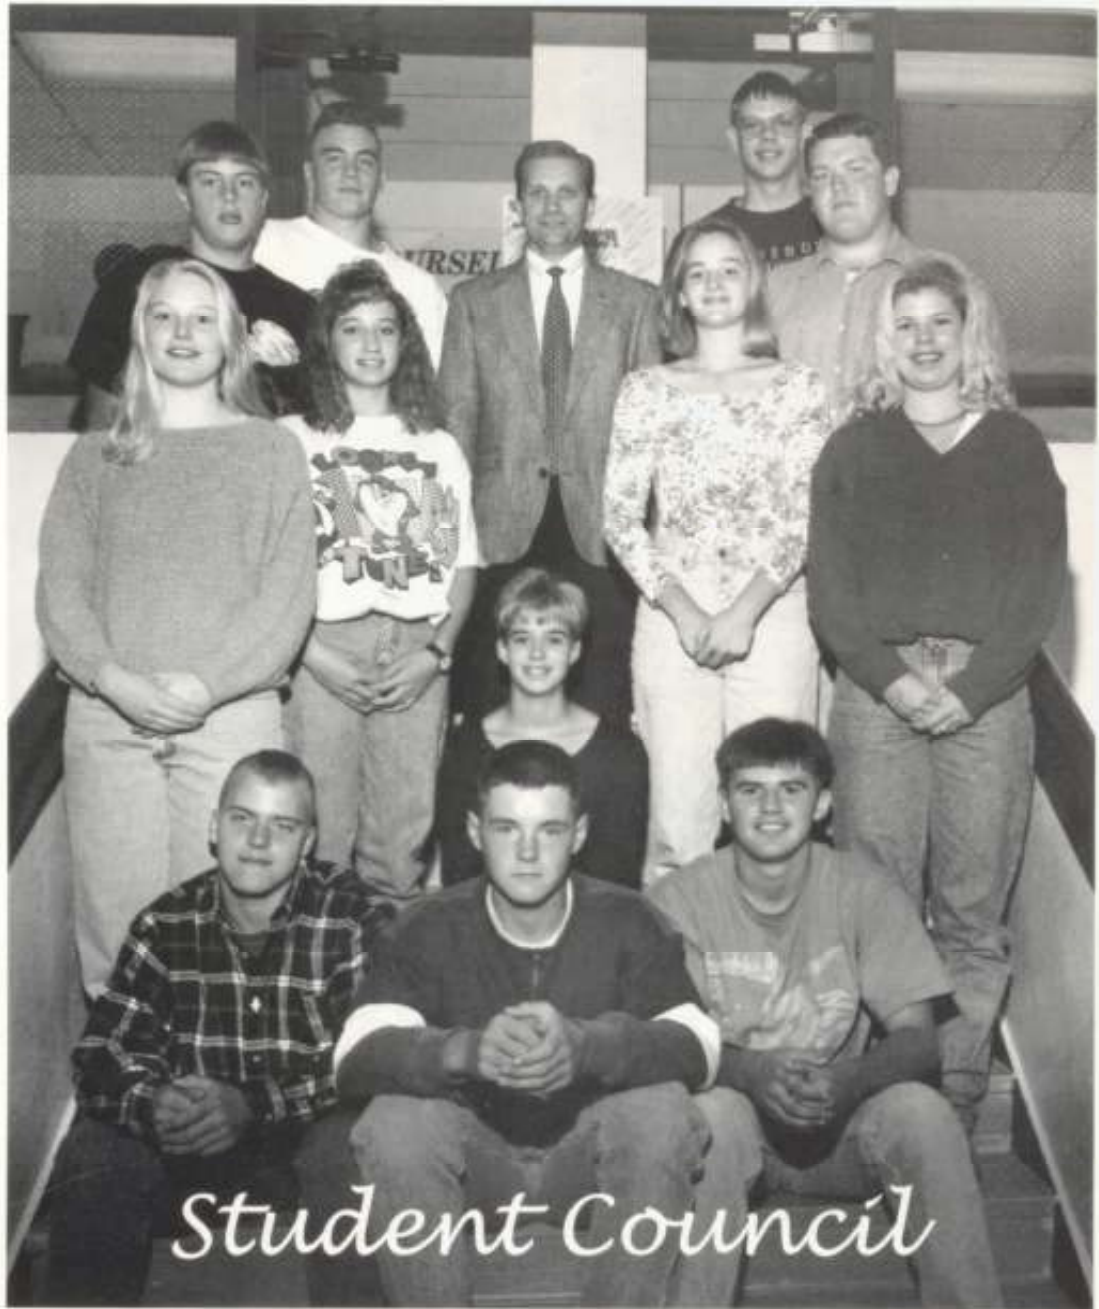

**Left to Right:** Charlotte Schuder, Mieke Trekner, Ilyasov Murad ibn Sadyg Bazar, and Eszter Szabo.

# A DIFFERENT OUTLOOK

We are fortunate to have four foreign exchange students come to our school this year. Some of them are staying for the whole year and some just for a semester. They told us little about the difference from their country to the U.S.

This 94-95 season was a very exciting year. The Drill Team included 16 members and 2 managers, 10 of them new. We did many new and different things this year. On October 29, we conducted a drill team clinic at Wall Lake with Pocahontas, Wall Lake View, Auburn, and Sioux City West Drill Teams. This clinic is to raise money for entry fees, lights, awards, and other expenses. A chili supper was held in February with the help from the Drill team mothers, as an extra fund raiser this year.

On Saturday, December 3, the Drill Team traveled to S.E. Polk High School in Des Moines for State Drill Team Competition. They competed in two divisions: hoopla and small school lights. The team earned a Division 1 rating and 1st place awards in both divisions. The team was also presented with the Distinguished Academic Award. The Iowa State Drill Team Association acknowledges any team who has a combined grade point average of 3.25 to 4.00 from the previous year. Twin River Valley is the only team in this state who has one the award every year since its inception.

On March 9, the Twin River Valley Drill Team, once again, had the honor to perform at the Girls State Basketball Tournament at Vets Auditorium in Des Moines. They performed at the semifinal games Thursday evening with West Bend Mallard.

Drill Team ended with the year with Drill Team Night, on March 31 and April 1 (parents night). The night included 8 performances by the Drill Team, 1 co-ed routine, a boys routine, 2 junior high and 4 elementary routines, followed by special awards given to the girls.

Thanks for your support!

Mrs. Wiemers chose a career in teaching because of her love for children and her desire to help them learn.

She decided to teach in this district because it was where her home was and because she wanted to work with familiar children.

Mrs. Wiemers recalls the most significant invention during her teaching career was the computer. It challenged the more capable students and helped remediate and teach everyone.

Reflecting back over her 34 years of teaching, Mrs. Wiemers' "words of wisdom" are: "Each child is special and blessed with qualities to love. It is important to respect the students; in this way, one gains their respect. I feel fortunate to live in the Gilmore City community; the friendships we have made over the years can continue to flourish."

In her retirement, Mrs. Wiemers plans to travel, attend grandchildren's school and church activities and most of all, enjoy life!

He recalls his most memorable moment as losing the State Softball Tournament in the summer of 1971, 1-0.

Mr. Larson recalls the most significant inventions while he has taught here as the copy machine and computer. It has enabled him to get things done quicker and made his job easier.

Mr. Larson would like to pass on some "words of wisdom" to his fellow staff and students; "I always try to learn something new everyday and I think that everybody who would do the same will be improved each day when they retire for the day. One new thing everyday would make your life better and help you get along in the world."

In his retirement, Mr. Larson plans to golf, fish, play bridge, yard work, catch up on reading, and put together jigsaw puzzles. Thanks for all your guidance and knowledge, especially the LONG stories. Enjoy your retirement!

"Be friendly and up-beat and try hard to do your best at all times" are Mr. How's "words of wisdom" for his fellow staff and students. He decided to choose a career in teaching because he enjoyed school and young people. He started his career at Bridgewater Fontanell before coming to Twin Rivers. He selected the Twin Rivers School District because he liked the quality of people in the district. He began his teaching as a junior high teacher before later becoming a principal. Before his career in education, Mr. How was employed as a sheetmetal worker.

He was the head coach of boys basketball and volleyball, junior high coach of volleyball, boys and girls basketball, football and both girls and boys track. He also coached junior varsity basketball.

### Go With A Song in Your Heart

by: Don Beals

The time we've had together is almost at an end.  
And now we have to try to say good-bye.  
There's so much to remember  
and so much still ahead.

I wish you all the good things you can find.  
Wherever life may lead you,  
may you go with a song in your heart,  
with a feeling inside that makes you want to sing.

When you find someone who needs you,  
may you share the song in your heart  
and discover all the joy that it can bring.

Just remember the song,  
Just remember the song.

The song in your heart.

So when you're feeling lonely  
and no one seems to care  
and you feel you want to hide or run away.

Think back on all the good times,  
the things we used to share.

Remember what I wished for you today.  
Wherever life may lead you,

may you go with a song in your heart,  
with a feeling inside that makes you want to sing.

When you find someone who needs you,  
may you share the song in your heart  
and discover all the joy that it can bring.

Just remember the song,  
Just remember the song.

You keep in your heart.
