If I Had Known

If I had known
The last time you made a joke
Would have been the last
I would have laughed forever

If I had known
The last time you made me smile
Would have been the last
I would have smiled forever

If I had known
The last time you wiped away my tears
Would have been the last
I would have cried forever

If I had known
The last time you held me so tight
Would have been the last
I would have held on forever

If I had known
The last time you tried to frighten me
Would have been the last
I wouldn't have been so afraid

If I had known
The last time we said goodbye
Would have been the last
I wouldn't have let you go
